Sir:

**PETITION TO WITHDRAW HOLDING OF ABANDONMENT BASED ON
FAILURE TO RECEIVE OFFICE ACTION**

Applicant hereby requests that the holding of abandonment be withdrawn in the above-captioned matter, pursuant to MPEP § 711.03(c)(I)(A), and that the Amendment filed on even date herewith be considered. Applicant did not receive the Non-Final Office Action dated September 6, 2005, and accordingly was unaware that a response was due. Applicant first learned of the September 6, 2005 Office Action on June 9, 2006, well beyond the response deadline.

Specifically, on June 9, 2006, Applicant's attorney received a telephone call from Examiner Andrew Chung Cheung Lee informing him that no response was received to an Office Action dated September 6, 2005. This was the first time the Applicant became aware of the existence of the Office Action dated September 6, 2005, and hence the need to respond. Applicant thanks the Examiner for bringing this matter to the attention of Applicant.

Subsequently, a written Notice of Abandonment was received on June 20, 2006 confirming the information conveyed by the Examiner in the telephone call.

Applicant's attorney has since retrieved the Office Action from Private PAIR. The address listed on the Office Action is the correct address and the Office Action also lists the correct Customer Number of 24267. Nonetheless, Applicant did not receive the Office Action.

Applicant's attorney has searched the file jacket and docket records relating to this Application at the attorney's firm and has confirmed that there is no entry for an Office Action dated September 6, 2005. A copy of the docket record where the nonreceived Office Action would have been entered, had it been received, is attached herewith as Exhibit A, as documentary proof of nonreceipt of the Office Action. *See* MPEP § 711.03(c)(I)(A).

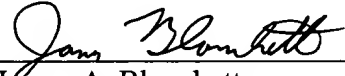

The attached docket record indicates all actions received from the United States Patent and Trademark Office, as well as several internal deadlines relating to the above captioned Application. Of note, there are no entries between Oct. 28, 2003 and June 20, 2006, the range in which the Office Action dated September 6, 2005 would appear.

In summary, Applicant respectfully requests that the holding of abandonment in this matter be withdrawn as the Applicant did not receive the Office Action and the Applicant further requests that the Examiner consider the responsive Amendment filed herewith.
